## PROPOSED MEASURES FOR REORGANISATION CONSEQUENT UPON THE DEPARTURE OF "STOCK", "LIRA", "SHAH" AND "KATYa".

From:   NEW YORK

To:     MOSCOW

No.:    1137                                        8 August 1944

To VIKTOR[i].

In connection with the forthcoming departure of STOCK [ShTOK][ii], LIRA[iii] and SHAH [ShAKh][iv] for home please:

1. Permit the internal line to be handed over to NAZAR[v] (conjointly with the second line) from ALEKSEJ[vi] who is to replace SHAH and at one and the same time carry on the work on [C this line] and photography.

2. As quickly as possible send a photographer to the PLANT [ZAVOD][vii] (in STOCK's post or in that of a probationer [STAZhER][a]). We consider that suspicions will not be aroused by a person of this sort and for the Office it would be an invaluable help and would relieve ALEKSEJ for more effective operational work.
3. Advise whether I may count on JULIA [YuLIYa][viii] as [1 group unrecovered] after the departure of KATYa[ix] and LIRA we shall be left completely without a typist.

No. 530                                    MAJ [MAJ][x]
8th August.
